

Flake Ice...

First choice for a cool presentation

Presenting Flake Ice from Manitowoc.

When it comes to food preservation, a cool presentation can lead to cold, hard profits. Not only does your product need to look good and stay fresh, the ice needs to look good too. Manitowoc flake ice machines offer quick cooling, moldable flakes. All day, every day.

Small, soft pieces of ice with a 73% ice to water ratio forms around objects without bruising and hold in place without tipping or spilling. Perfect for food and beverage presentation and hand scooping into drinks. Manitowoc offers flake ice in undercounters, modulars, remotes and racks models with daily ice production ranging from 150 to 2,600 lbs.
